  - Telegram: @TUTORT
- 

## About me

I am an 20 years old web developer improving my skills since 2017

As a hobby I participate in various CTF competitions and hackathons

Currently studying at ITMO University at the Faculty of Applied Informatics

---

## Work experience

### VK (19/09/2022 - current)

- Middle messenger web developer
- Main development stack: ReactJS, TypeScript, Immer

### VK (17/01/2022 - 19/09/2022)

- Junior messenger web developer
- Main development stack: ReactJS, TypeScript, Immer

### VK (12/07/2021 - 10/09/2021)

- Intern of web messenger team
  - Main development stack: ReactJS, TypeScript, Immer
- 

## Skills

- JavaScript: [ReactJS](#), [Next.js](#), [ExpressJS](#), [NodeJS](#), [Redux](#), [TypeScript](#), [IndexedDB](#), [Immer](#), [Mongoose](#), [Webpack](#), [Snowpack](#), [Babel](#), [Prettier](#), [RollupJS](#), [React-Redux](#)
  - [Rust](#)
  - Python : [Django](#), [FastAPI](#), [Flask](#)
  - Deployment: [Docker](#), [docker-compose](#), [Nginx](#), [Vercel](#)
  - Databases: [PSQL](#), [MongoDB](#), [SQL](#), [SQLite](#)
- 

## Languages

- English: *Upper Intermediate(B2)*
  - Russian: *Native*
- 

## Education

### **ITMO University - Faculty of Information and Communication Technologies (Applied Informatics)**

- 09/2021 - now St. Petersburg
- One of the best IT universities in Russia

### **Ugra Physics and Mathematics Lyceum**

- 09/2019 - 06/2021 Khanty-Mansiysk
  - One of the leading schools in Russia in the field of mathematics, physics, computer science
- 

## Achievements
